

“River City”

By Thomas Park

“I have a bittersweet relationship with Saint Louis-- it is where I have lived most of my life. It's also largely where I lost my youth. Over the years, it has fallen into more decay, losing residents and businesses.”

“I feel that it retains a certain particular beauty-- maybe that's why I think of it as a ‘New Orleans of the MidWest.’”

“These photographs were all taken in 2018, during the gray and gloomy months of October and November.”

“I hope that you enjoy them”. --Thomas Park, 2018
